

## **SCIENTIFIC LIBRARY SUBSCRIPTIONS FOR 2023**

Accounts of Chemical Research (Internet)

Accounts of Materials Research (Internet)

ACS Agricultural Science & Technology (Internet)

ACS Applied Bio Materials (Internet)

ACS Applied Energy Materials (Internet)

ACS Applied Materials & Interfaces (Internet)

ACS Applied Nano Materials (Internet)

ACS Applied Polymer Materials (Internet)

ACS Bio & Med Chem (Internet)

ACS Biomaterials Science & Engineering (Internet)

ACS Catalysis (Internet)

ACS Central Science (Internet)

ACS Chemical Biology (Internet)

ACS Chemical Health & Safety (Internet)

ACS Chemical Neuroscience (Internet)

ACS Combinatorial Science (Internet)

ACS Earth and Space Chemistry (Internet)

ACS Energy Letters (Internet)

ACS Environmental Science & Technology Water (Internet)

ACS Infectious Diseases (Internet)

ACS Macro Letters (Internet)

ACS Materials Letters (Internet)

ACS Measurement Science (Internet)

ACS Medicinal Chemistry Letters (Internet)

ACS Nano (Internet)

ACS Omega (Internet)

ACS Organic & Inorganic (Internet)

ACS Pharmacology & Translational Science (Internet)

ACS Photonics (Internet)  
ACS Polymers Au (Internet)  
ACS Sensors (Internet)  
ACS Sustainable Chemistry & Engineering (Internet)  
ACS Synthetic Biology (Internet)  
Acta Virologica (Print + Internet)  
Analytical Chemistry (Internet)  
Australian Journal of Chemistry (Internet)  
Biochemistry (Internet)  
Bioconjugate Chemistry (Internet)  
Biomacromolecules (Internet)  
C&EN Global Enterprise (Internet)  
Chemical Research in Toxicology (Internet)  
Chemical Reviews (Internet)  
Chemistry of Materials (Internet)  
Computers in Libraries (Print)  
Crystal Growth & Design (Internet)  
Energy & Fuels (Internet)  
Environmental Science & Technology (Internet)  
Environmental Science & Technology Letters (Internet)  
Industrial & Engineering Chemistry Research (Internet)  
Information Today (Print)  
Inorganic Chemistry (Internet)  
Journal of Agricultural and Food Chemistry (Internet)  
Journal of Chemical & Engineering Data (Internet)  
Journal of Chemical Education (Internet)  
Journal of Chemical Information and Modeling (Internet)  
Journal of Chemical Theory and Computation (Internet)  
Journal of Medicinal Chemistry (Internet)

Journal of Natural Products (Internet)  
Journal of Proteome Research (Internet)  
Journal of the American Chemical Society (Internet)  
Journal of the American Society for Mass Spectrometry (Internet)  
Langmuir (Internet)  
Library Journal (Print)  
Library Technology Reports (Print + Internet)  
Macromolecules (Internet)  
Medical Reference Services Quarterly (Print + Internet)  
Molecular Pharmaceutics (Internet)  
Nano Letters (Internet)  
Natural Product Reports (Internet)  
Nature Metabolism (Internet)  
Nature Reviews Materials (Internet)  
Neoplasma (Print + Internet)  
Online Searcher (Print)  
Organic Letters (Internet)  
Organic Process Research & Development (Internet)  
Organometallics (Internet)  
PDA: Journal of Pharmaceutical Science and Technology (Internet)  
Science and Technology Libraries (Print + Internet)  
Synthetic Communications (Print + Internet)  
The Journal of Organic Chemistry (Internet)  
The Journal of Physical Chemistry (Internet)  
The Journal of Physical Chemistry A (Internet)  
The Journal of Physical Chemistry B (Internet)  
The Journal of Physical Chemistry C (Internet)  
The Journal of Physical Chemistry Letters (Internet)
